My dear friend,

My eldest son Shrimant Appasaheb Pant who was in England for four years for his higher studies returned to India last July after passing his B.A. Examination of the Oxford University and being called to the Bar. It is now his strong desire to help me in the work of my administration and bring the same on model lines.

With a view to get practical experience of actual administration that is being carried on in a progressive State like Mysore he intends to go either to Mysore or Bangalore and spend about four weeks there after the 6th November 1937 to see as to in what way the work of Education, Rural Uplift Industry and Office work is being carried

on there. He wants to devote one week for each of the above subjects in any office that you will recommend for him to be the best.

I strongly hope that you will kindly appreciate the desirability of the above proposal and make necessary arrangements for him to study the above subjects that he means to do and afford all necessary facilities in this connection. An early reply will oblige.

With kind regards,

Yours sincerely,

Dear Sir,

A slight change in the approved programme of the study of the work in Deputy Commissioner's Office was made owing to Shrimant Appasahib's visit to the Kolar Gold Fields, on Saturday the 27th instant and thereby the work in this office was extended by a day. Shrimant Appasaheb however, wants to cancell the last day reserved for the study of the District Excise Office and hence he is finishing his work of this week on the 3rd of December.

After the completion of this week ending on the 3rd Dec, Shrimant Appasaheb is to spend a few days in the Secretariat. I am directed by him to inform you that he also wishes to spend some days in the Departments of the Director of Agriculture (paying visits to some of the model Farms etc, if possible), The Director of Public Health, and in the Office of the Comptroller of Accounts.

So, please kindly let me know on his address as to when you can arrange for a programme to enable him to study these branches of ~~your~~ the Mysore Government.

Hoping to be excused for the troubles,

Yours sincerely,
N. G. Kundalkar.
